Wednesday 26th Aug 2020	★★★★★  FraserM-73	AN OUTSTANDING TEACHER I thoroughly enjoyed every session with Karine, looking forward each week to furthering my French studies. Prior to Karine's tuition, I lacked confidence in my ability to achieve in this subject, and looked forward to giving it up at the end of year 11. However, Karine's sessions pushed me to improve. The more I improved, the more I learned to love the French language. Even though I will no longer be studying French at school due to following a medical career path, I continue to learn and practice it in my free time. I am so grateful to Karine, and would recommend her to anyone as an outstanding teacher and mentor. Thanks to her, I achieved a grade 9 in GCSE French this summer! view less	 Reply now	Live ⓘ

Thursday 05th Apr 2018	★★★★★  StephenM-281	SUPERB PROFESSIONAL (AND A PLEASURE TO DEAL WITH.) I asked Karine to translate my UK birth certificate into French to apply for a French certificate of nationality. She is incredibly efficient, replies to emails within seconds seemingly, herwork is professional and accurate, and all done for a very fair price (I doubt you could find better value anywhere else). To top it all she is accredited by the French Embassy. When I discovered that my birth certificate was too old (should be a copy no older than three months apparently), Karine immediately translated the updated version at no extra charge. I am recommending her to all my family. view less	(1 reply)	Live ⓘ
